WEDNESDAY HALF-HOLIDAY

On and after April 8th, the Pioneer Meat Market and The Strathmore Meat Market will close each Wednesday afternoon at 1 p.m.

Geo. SNAITH J. J. McCARDLEL

BE ON TIME and get your table early for the GRAND RAINBOW

Cabaret Dance

to be held in the Memorial Hall, Strathmore, on EASTER MONDAY, APRIL 13th. The booking is now open at L. B. O. Lennell's office, and there is going to be a rush, so be ahead, and you won't be disappointed.

DRESSMAKING

Mrs. M. Miller is prepared to do high-class Dressmaking. Prices moderate. Rooms at King Edward Hotel, Strathmore.

BEBE'S SECOND

Bebe Daniels' second screen production, as a Paramount star, "Miss Bluebeard," a screen version of the stage play, "Little Miss Bluebeard," in which Irene Dornell starred, comes to the Memorial Hall Saturday.

Robert Finner, Raymond Griffiths, Kenneth MacKenna and others appear in support of the star in the production which was directed by Frank Tuttle.

"Miss Bluebeard" is a side-splitting French love farce, that brings Bebe to the screen in her finest role. Funny? That doesn't half begin to describe it. Here's one you can't afford to miss.

M. D. Bow Valley Meeting

Take Joint Action With Strathmore In Resisting the C.P.R. Cancellations.

A meeting of M.D. Bow Valley Council was held on April 4th, all the members being present. Iverre Chamberlain presided.

Correspondence was read re the proposed cancellation of lots by the C.P.R. at Carseland, together with notice of motion that this would be brought before a Judge of the Supreme Court in Chambers on April 20. Mayor Dill and Mr. T. M. Wears, solicitor for the town, appeared before the Council, and discussed the matter with them, and it was agreed that the Municipality and Town would join in resisting the claims for cancellation of lots in Chambers on April 20. The Council also decided that Councillor Wheeler and the Secretary should attend the court.

In a dispute as to the brand of a horse impounded, the animal was inspected by the Councillors, who agreed that the poundkeeper was justified in his reading of the brand. The original owner then paid the fee and costs to the purchaser of the animal at the pound sale.

The roof of the Municipal office is to be repaired by Mr. M. S. Hittle.

The Council decided not to buy a new machine for the Municipality.

The Council agreed to make a grant to Strathmore School Pair of \$50.

The Council decided to ask the Highway Commissioner to have the Calgary-Melville Hix highway properly widened and graded this summer, and if possible have it gravelled.

The secretary was instructed to find out where an engine could be obtained to pull the Municipal grader this summer.

Part of the Municipal Machine Shed was rented to Mr. Nels White at \$5.00 per month.

A large number of other matters were dealt with at the meeting.

Nakama

At the special school meeting held here on Thursday last, only a small attendance was present. The meeting was called to find a way of taking care of the new scholars who have arrived in this district, and number, around nineteen extra pupils. After explanation of the act re government grants given, by Mr. Buchanan, it was decided to rent the L.O.O.F. Hall for a while, obtain another teacher, and run a two-room school until such time as the school board see fit to rebuild, or put an addition to the old school.

A farewell party given by the residents of the Nakama district, was held in the L.O.O.F. Hall on Friday last. The guests of honor were Mr. and Mrs. H. Miller, who left the following Monday for High River, where, in future, they will make their home. They will be much missed in this district, being real old timers. They were at all times among the first to give their aid to any worthy cause, and have succeeded in creating a real spirit of friendship among all of this district.

A whist party was held during the first part of the evening. Miss Marcia Brown winning first prize for the ladies, and Mr. H. Miller first prize for the gents. The consolation prizes going to Mrs. J. P. Innes and Jack McBean. This was followed by a sumptuous repast, after which Mr. J. P. Laurie, in a short, but well delivered address, made the presentation of a ladies leather pocket book to Mrs. Miller and a nice leather club bag to Mr. Miller. Though entirely unprepared for this part of the programme, Mr. Miller thanked all in a few well chosen words. All then joined in song to the strains of "For They Are Jolly Good Fellows". After which an impromptu dance took place until 2 a.m. We wish them both every success in their new undertaking.

MUNICIPAL HAIL INSURANCE

Approximately 57 per cent. of the hail insurance written in the province during the past six years was carried under the municipal plan, according to a statement made at the annual meeting of the municipal hail insurance board.

First Easter Dawn

The moist, dark rushes spoke it
While the pasture land was still,
And the sleeping cattle—they broke it
To the stream with quickening thrill;
And the stream, in that gray dawning,
Like a black thread, silver up'd,
Gave it to the meadow grasses
As it, singing, through them slipped.

Lo! the uplands caught the echo,
And the dawnbirds, speeding by,
Voiced it ere the first, soft scarlet
Pushed into the eastern sky;
All nature caught the strain
As the paling night clouds fled
From the sun's warm beams, the words
"Christ is risen from the dead"

Then again the earth was silent,
Though its pulses throbb'd unheard,
And the voice of man repeated
The song of stream and bird;
Then it leader grew and clearer,
Till in one harmonious chord
Man and bird and stream and hill-top
Sang the glory of the Lord!

All hearts shall raise the strain
When the slack chords have fled;
"King and Brother! Christ is with us!"
"All are raised from the dead!"
—Violet Roberts
Strathmore

SPRING SHOWS

Calgary Spring Show takes place here coming week on April 8, 9, 10, and 11. Edmonton's Spring Show is the week following from April 14 to 18.

Beiseker Notes

A number of people of Beiseker and vicinity were entertained at the home of Mr. and Mrs. Wisgerber in the village on Last Tuesday evening. The party was a surprise in honor of the tenth anniversary of their wedding. Mr. and Mrs. Wisgerber have lived in Beiseker ever since their marriage. As a mark of esteem, Mr. P. A. Loomis, on behalf of those present, presented them with an appropriate anniversary gift.

DRESSMAKING
AND VISITORS!

Langdon

Mrs. H. L. Griffin was a Strathmore visitor from Monday to Thursday of last week.

Miss Ruth Dye returned on Saturday, after being in Calgary several days. Mr. and Mrs. A. L. Smart entertained at "500" last Tuesday evening. Seven tables made merry till early morning, then delightful refreshments were served. Mrs. E. Armstrong and Mr. H. Hockie carried home the honors, while Mr. R. Cowen and Mr. A. McNeil won the consolation prizes.

The annual apron and home cooking sale of the W. I. will be held Saturday, April 11th, in the W. I. parlors. Tea will be served in the afternoon.

News items are scarce this week. Everybody is busy with preparations for the spring week, which will be quite general next week.

"The Little Clothopaper" will be presented at the Dalemead Hall on Wednesday, April 8th. It was postponed last Friday on account of the roads.

Cheadle

O. G. Craig, C. E. Bentler, Ray Miller, F. Dickell and Geo. Jackson were all Calgary visitors during the week.

Clare Keer and Jeff Keer are both home from college for the summer. Mrs. W. E. Keer is on the sick list, but is improving.

Mrs. Roy Miner is also reported to be on the sick list.

O. Wallin and family have left for their farm at Miller, but Oscar will be back in about a month.

Mr. Johnston, of Gleichen, is relieving O. Wallin on the section till his return.

Miss Betty Wade had a birthday party on Friday afternoon, and invited all her school chums.

Mr. and Mrs. Acton Pierson and daughter, Elma, were Calgary visitors over the week end.

The Ladies Club held a subscription Thursday, and got out a subscription list for the enlarging of the hall. These lists can be signed at R. H. Wade's, O. G. Craig's, or Ray Miller's.

Spring Weather

There has been an agreeable change in the weather since the beginning of April. The snow is almost gone from the fields. While there were several foggy days at the latter end of the week, these gave nature a good chance to enter the ground. The thaw has been so gradual that the ground has absorbed the greater part of the heavy snowfall of the winter, and present moisture conditions are better than for some years.

Plowing commenced at the end of the week, and seeding should start shortly.

The roads are drying up gradually, but in most cases are still bad for motor traffic.

NEW SETTLERS FOR ALBERTA

Under the immigration scheme of the British and Canadian governments, 14 families of new settlers are now in Alberta having arrived the past week from the old country. They will be located in various places on central and northern Alberta.

For the purpose of colonizing lands which he owns in the Lettbridge-Northern Irrigation tract, H. E. Melbach, of Lettbridge, is bringing in 20 families from Deserabur. The new colony, it is planned will raise from 200 to 500 acres of sugar beets each year.

Standard

Messrs. Leo, Larsen and Elmer Hansen returned on Monday from Oids, where they have been attending Agricultural school during the winter months.

Mr. L. Christensen was a business visitor to Calgary on Tuesday, returning on Wednesday's train.

Mr. and Mrs. E. L. Wirt have been spending a holiday in Calgary.

Mr. and Mrs. J. B. Deschamps and son, Jackie, arrived in Standard on Wednesday, and are guests at the Banner Hotel.

Mr. Geo. Webb returned to Standard on Wednesday.

Mr. and Mrs. Keith Stinson arrived in Standard on Friday.

Gaiety prevailed on Wednesday evening, April 1, when the Standard Tennis Club put on their first dance of the season. Colored jack-o-lanterns, red, white, and blue streamers, tennis net balls, and racquets; and balloons and dance programs lent a festive air to the which will be long remembered by those present. The 6000 chortles were in evidence, and their dreamy snappy fox trots were included on the Norel program were The On-ight Waltzes, April 1st Heart Dance, and Balloon competition Heart Dance. Mr. Nicklausen, of Rosebud, M. A. Peden. Much merry jesting was in evidence during the balloon dance which everyone was taking to dance without breaking own balloons, and at the same time, trying to break as many of the possible. The houses were carried off by Mr. Hans Christensen and Miss Edith Larsen. During the evening a dainty lunch was served by the ladies of the club. Muddy roads and bad weather prevented a goodly number from attending the dance, but the Tennis Club are gratified with the results, and are planning another dance which will take place later in the season.

Mr. and Mrs. J. B. Deschamps and Jackie returned to Calgary on Saturday.

VOILES IN DRESS AND TUNIC LENGTHS

School Column

The following additional prize for the School Fair has been received: One year's subscription to McLean's Magazine.

A meeting of the School Fair Committee will be held on Saturday, April 26th, at 2 p.m. All teachers are urged to be present, and to bring another representative from their district. The main business is to fix the amount of the prizes so that a prize list may be published soon.

School will close on Thursday evening, April 9th, and re-open Tuesday morning, April 14th.

Two tennis clubs have been organized in the two High School Rooms, and playing has already begun on the school grounds. Basketball and baseball are also going strong whenever weather permits.

The time-table for the Departmental Examinations has arrived. These examinations will be held from June 22 to June 26. There are thus 47 school days left after this week.

Very students will write on the High School examination here and there will be at least 12 writing the distance to High School examinations. They will write upon the parents and students, and all who are involved in the welfare of the student, the absolute necessity of keeping activities and all connections in the best possible manner during the next two months. To the student there is only one thing of greater importance than the examinations and that is to do well. We quote from an address by Dr. A. M. Hutchinson, principal of Central Collegiate, Calgary: "A quiet and unobtrusive life is absolutely necessary when the eleventh and twelfth grades are reached. If the student is to pass the examinations, Dances on Friday evening, excursions to the theatre, participation in church affairs, are all to be characterized as 'harmful' in that they take the student's mind off his work. When a teacher comes into the classroom he pre-supposes that the homework is done. A student cannot understand the work unless the preliminary work is done."

The great hindrance to getting this work done is not unwillingness, but most cases, but distractions, and we trust that these will be made as few as possible. Then in July there will be time for other matters, and in August when the daily papers are anxiously generated, there will be real cause for celebration.

Irricana

Rev. Mr. Atwood, of Ogden, will conduct services at Irricana on Easter Sunday evening at 7:30 p.m.

A well-attended meeting of the local Ladies Aid assembled at the home of Mrs. W. Wise on Wednesday. Mrs. Thomas Craig, president. Lengthy and important matters were discussed, including an endeavor by the ladies to secure the services of the Rev. White Smith to deliver Easter services at the Union Church. Mrs. Wise entertained the ladies to a tastefully prepared lunch, before they left for their respective homes.

Mr. Hartford Leonard has returned home after spending the winter months at the coast.

Mr. Harold Honess has returned from a business visit to the metropolis. On arriving in Calgary, Mr. Honess was stricken with the flu, and had to be confined to his room for the better part of a week.

Mrs. H. Miller entertained at a successful court while party. About forty guests participated. A prize was offered for the successful winners, which resulted in Mrs. Frank J. Ewing and Mr. Danny Howell securing first honors. Mrs. H. B. Wilson and Mr. A. McElhannon were consolation prize winners; the latter being residents of a distant neighborhood.

Mr. Arthur Gregory, of the well-known firm of Gregory Bros., visited the ranch during the week.

Mrs. Carl Garfield was a visitor to Calgary during the week. We regret to record that Mr. Garfield is not as well as he was in health as rapidly as his numerous friends would like to see him.

Mr. A. Wadden has arrived to occupy the agency at the C.N.R. depot. Mr. McElhannon has been transferred.

Craigantier News

The dance in the school house on Friday was a great success, although the roads were in bad shape. The music was of first quality, supplied by Mr. Hutchinson and Mrs. Price, of Calgary. Mrs. P. Tasker deserves great credit for the good coffee and sandwiches, and her untiring work in getting cups and the other articles needed. After expenses are paid, the piano fund will benefit to the extent of thirty-five dollars, made up from subscriptions on the horse races and dance. During the interval for supper, it was the pleasure of all present to witness the presentation to Miss Marie Collins, of the Yale school, who for a number of years attended Craigantier school, of a ten dollar gold piece, donated by Mr. Hugh Miller, of Irricana, for the best essay on the advantages of buying at home. Mr. J. A. Sheets, in a few well chosen words, commended Miss Collins for bringing such a honor to our part of the country, and presented Miss Collins with the nice token. Miss Collins gratefully acknowledged the ovation accorded her by all present.

J. K. Crapp and family left for Star Valley, Wyoming. Mr. Crapp intends going in for mixed farming in his old age.

It is sometimes a hard job to keep vegetables from freezing in hard winters, but the St. Paul and the Lemon came through it all right, but a little soft as the weather warms.

Dr. Barkworth's baby has recovered after a severe illness, under the care of Doctor Fletcher.

J. Edgewood and family arrived home on Saturday, after spending the winter in Denmark. They enjoyed their trip very much.

N. Christensen arrived back after being away attending school in Iowa for the past three months.

Keoma

Mr. J. Thompson has returned home from Calgary, very much improved, but his better health is the cause. Mrs. Galloway returned back from Calgary, after having her arm reset.

A potluck dinner was given at the Keoma hotel last Tuesday, going to Calgary. Miss Phyllis Rankin and Miss Powers, Mr. and Mrs. T. Koch were among the number.

Mr. Percy Ferris and Mr. Percy Birt returned to Calgary on Tuesday, after spending a few days at the home of Mr. and Mrs. Rankin.

A pie social and radio dance was held in the Keoma school house on Friday evening, April 4th, in aid of the piano fund. Cards were played at five tables until ten o'clock, and then Mr. Kingston "ruined" to the old time music. At 12 o'clock the dances were auctioned off, and the handsome sum of \$29 was taken. After the radio was finished everyone danced to the gramophone, and the last waltz was played at 2 o'clock, and everyone due to Mr. J. Shepherd for his able handling of the work of getting couples for the square dances before the music stopped. We must also thank Mr. Rex H. Rintoul, and Mr. Brower for helping towards the evening's enjoyment.

Don't forget the Box Social at Bruce Lakes next Thursday, April 9.

The collecting for the Hall has commenced at last. Cheers!

WHY OPERATE?
 For Appendicitis, Gallstones, Stomach and Liver Troubles, and HEPATITIS, you can get relief without pain and no risk of your life nor loss of time. Continuous treatment. Not held by Druggists.

Tudor

The Tudor Dramatic Society presented "Grumpy" at Strathmore on Monday, April 20, and later will appear at Rockyford, Strathmore, and Nightingale.

Mr. and Mrs. F. S. Horton entertained a number of "whits" on the occasion of the 25th anniversary of their wedding. Miss Helen Henderson won the lady's prize and Mr. R. A. Dyson won the gent's. After the whist a very dainty lunch was served, which was heartily enjoyed by all. During the evening Dr. Henderson found very little time for playing cards as he was bent on solving that "puzzle." Owing to the bad condition of the roads, quite a number found it impossible to be present. Had they taken a tip from "Doe" and worn their rubber boots, carrying the "extras" in their pockets, there would have been no need to look for a pair of dry socks.

TUDOR PLAY, "GRUMPY," A GREAT SUCCESS

Last Friday evening the members of the above Literary Society through their season's programme to a close by presenting an exceedingly interesting play called "Grumpy." Nothing was left undone to give our community a most pleasant evening, and those who were prevented from being present by the bad condition of the roads certainly missed one of the best events of the season.

As an eyewitness, we are glad to say a word or two in commendation of the work so capably put over by Jim Ronnie & Co. It needed no professional eye to see that a great amount of time and trouble had been given to make the play a success. From first to last, for three hours, it held the audience interested and excited. The play contains a real plot and gradually works up to a fine climax. There are many pretty scenes, and first-class humor.

It would be difficult to single out any one of the twelve players for special mention, but of course, the whole play centres around "Grumpy," their old Grumpy, the little totter, tripping, but intensely human old man.

and for this part nature very admirably adapted Jim Ronnie, his action, mannerisms, and interpretation of "Grumpy" before us in flesh and blood. Virginia, the leading lady, as played by Margaret Fryer was a most charming presentation. Miss Fryer was so natural in all her work, and seemed perfectly at home in her role as Grumpy's granddaughter, Miss Annie. She plays her part as the nervous housemaid in a very real manner, and Miss M. Schaefer also carried her part exceedingly well as the doctor's wife. For the rest of the Company, "the villain," "the Jewish broker," "the man with the face," "the great butler" etc., etc., all put themselves into their parts in a creditable manner.

The play was carried out in complete costume, and the dainty appearance of the stage and its decorations, all added to the reality of the scenes. We plodded home at midnight, through the mud and the mire; sometimes up, sometimes down, bumping and lurching; and did Grumpy outwitted the witty villain, and wondered whether the birds will build their nests in our chimneys this Spring.

WEATHER STATISTICS FOR 1924

The greatest total precipitation in the province during 1924 was at Calgary which had 21.6 inches for the year. Calgary also had the greatest amount of sunshine during the year, the total being 2271 hours, according to figures secured from the dominion weather bureau at Calgary.

TUDOR DRAMATIC SOCIETY will present Cyril Maude's Masterpiece

'GRUMPY'
At NIGHTINGALE HALL

Rockyford

Rockyford Ladies' Club decided to hold their regular meetings once monthly on second Thursdays. The usual business meeting this month, followed by a light lunch. New members cordially welcome.

Mr. and Mrs. S. T. Harvey and young son have returned from the States.

Mr. R. J. Robertson of Hollywood, California, formerly manager of the local branch of the Bank of Commerce, was a visitor to Rockyford this week.

At a meeting held last night the Town Council decided to fix up the roads into town, dragging and putting down cinders. They also decided to install a windmill at the town pump.

McFabbie Bros. and Fred Gibson are showing themselves good citizens by putting cinders on the road in front of their businesses.

Mr. G. McLachlan, son of Dr. McLachlan, Calgary, has taken a position with the Esso-Globe Oil Company, of Rockyford.

Mr. T. Birt has moved from his house at the rear of the store to Mr. Crow's house on Railway Avenue. His house phone is 20.

Rockyford Hotel are doing some excavation on their premises, enlarging the basement, etc.

At the last meeting of the Council it was decided to give the concession for a moving picture show in Rockyford to Rockyford Motors, who are installing a machine this week. For their announcements later.

Fred Gibson has just put in a new stock of tires, repair parts, etc.

Mr. L. L. Plotkins has secured a slot on the C.N.R. right-of-way and will install four oil tanks. He is also located at Rosebud.

Get out your Straw Hats and rejuvenate them with Straw Hat Dressing at Rockyford Drug Store.

All Christian people of Strathmore, connected with the United Church are kindly urged to be present at the Reception Service for new members and the Communion of the Lord's Supper in the Church on Thursday evening, April 9th at 8 o'clock.

ARTHUR H. ROWE,
Minister

THE "FAITH THAT MOVES MOUNTAINS" is the Faith that makes greater communities.

It makes us love our neighbor and prompts us to do him a kind turn whenever the occasion presents itself. It makes us forget our enemies and makes friends of us all. It makes us take an interest in living and in life about us and, in general, helps us to spread sunshine and happiness where'er we go.

And that Faith is obtainable only in one place. That is, where the Word of God is taught—IN THE CHURCH. So we deem it our duty to urge you to GO TO CHURCH! No matter what your denomination. The churches in Strathmore offer you something necessary to your spiritual well being—that something will give you real Happiness —FAITH!

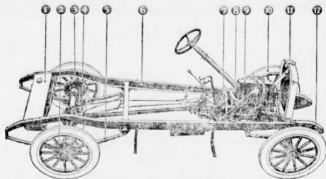

St. Michael's Church Strathmore

April 9th, Thursday—Evensong 8 p.m.
Full choir at 8:20 p.m.
April 10th, Good Friday—Three hours service, 12 noon to 3 p.m.
April 12th, Easter Day—Holy Communion at 8 a.m.
Matins and Holy Communion at 11 a.m. Anthem and Easter Hymns.
Evensong, with two anthems 7:30 p.m.

Contributions of flowers or plants will be received at the church anytime on Saturday, April 12th.
Last year we had a record attendance at the Easter services. It is hoped this year's services will be equalled.

A. W. CURRIE,
Incumbent

No other small car has so many big car features as the NEW Chevrolet

- 1 The new Ford Tack is rigidly fastened to the rear of the steel chassis frame. A steel cover protects the tank and adds to its appearance.
- 2 New, Larger Brakes—when action is needed, positive brake operation is assured through strong front and rear wheels. The brake oil pump is very easy to regulate and readily accessible.
- 3 Best Axle completely new. A big, single rear axle that will handle all the heaviest loads of the Chevrolet Motor under any conditions. Low cost, sturdy, durable driving gears quickly deliver the power to the main axle housing.
- 4 New automatic leak resisting device entirely distributes the power to the service brakes.
- 5 New semi-elliptic Rear Springs—insure better riding ability.
- 6 The New Frame is strong and sturdy. It has five heavy cross members, one more than was previously used.
- 7 New Disc Clutch—completely enclosed. Four friction surfaces instead of two. It has no internal adjustments; it requires no lubrication. Simple yet delivers all the power to the rear axle without slippage.
- 8 New steering control of semi-elliptic disc wheels and gear construction with forward-tilt linkage to front wheels.
- 9 The Chevrolet Motor—Belmont—has unusual power at all speeds, under every driving condition—easy, on-way in traffic—low fuel consumption. Practically all moving parts are completely enclosed.
- 10 Cool tires on open models; 28-1/2 Low Pressure tires on closed models.
- 11 New, Honeycomb Radiator, With 12 new, more localized radiated radiator steel.
- 12 New, semi-elliptic front springs—eliminate vibration shock.

To Join United Church Social—Personal

Strathmore Union Church
Reorganizes.

A fairly well-attended meeting of the members of Strathmore Union Church was held on Thursday evening in the church, Rev. A. H. Rowe presiding.

After devotional exercises, an address was given by Mr. Hans Thomsen, Namaka, representing the Namaka section of the congregation. He said the meeting at Namaka was for Union, and in his opinion it would be a great step forward. They were all working to the same goal, and if they forgot sectional differences, they would be able to work together much better, and come nearer to the Master's wishes.

Rev. Mr. Shearer, of Calgary, who appeared in place of Rev. A. H. Hannie, who was unable to be present, gave an interesting address on the history of Union in Canada. Union was no new thing. The Confession of Faith represented an effort at Union on the part of English and Scotch Protestants. That movement was unfortunately defeated by political changes in the old land. At the present time the Established and United Free Presbyterian Churches in Scotland are on the eve of unity, and in England a large step had been taken towards Union by the statement of the Church of England that they recognized pastors of other Protestant Churches as regularly ordained ministers.

The present Presbyterian Church in Canada was the result of nine different unions, and the present Methodist Church was the result of eight previous unions.

While there was considerable opposition, yet he believed that Union was desirable at present, there being 1200 Union congregations in Western Canada, many of which would be lost to the church if no action was taken.

Vote in Favor

At the close of Mr. Shearer's address, it was moved by Dr. A. W. Girvin, seconded by Mr. R. L. Whitney, that Strathmore congregation enter the United Church of Canada. On the vote being taken, the great majority of those present voted in favor, and there were no votes against, and the motion was declared carried unanimously.

A resolution inviting Rev. A. H. Rowe to stay as pastor was passed unanimously.

Messrs. A. W. Girvin, M. B. Garrett, and A. D. Shrimpton were elected to nominating committee to prepare a list of the officers required under the new system for reference to a future meeting of the congregation.

Miss Cope, on behalf of the Ladies Aid, presented a statement showing good progress made by this organization during the year.

A short talk was given by Mr. John Mackenzie on the finances of the church, explaining the benefits of the envelope system.

Communion service will be held on Thursday evening.

Mr. F. J. Ewing, the popular secretary of M. D. Keenan, has been appointed a Notary Public, announcement to that effect being made in the last issue of the Alberta Gazette.

Mrs. L. M. Dewitt returned last week from a visit to Mr. and Mrs. Wertenberger at Bathurst. She reports that there are still two feet of snow on the ground there when she left.

Mr. and Mrs. Vance Todd, who have been here for the past three weeks, left for the States again on Monday.

Mr. Harold Jones, who for several years has been employed at Mr. H. Fox's, left Monday for Vancouver. Harold has been very popular locally, and a dance in his honour was held in the dining room of the Memorial Hall Friday, when a very enjoyable time was had. His place here is being taken by Mr. Madas, of Calgary.

Mr. and Mrs. A. D. Hatty, who have conducted a dairy business in Gleichen for a number of years, are now in Strathmore, where Mr. Hatty has accepted a position in the C.P.R. Farm Dairy Department.

Mr. W. R. Harvey arrived back a couple of weeks ago from a visit to Britain and the Continent. He had a very interesting time over there, and made the air trip from Paris to London. He reports a steady improvement in business conditions on the other side.

Mr. and Mrs. S. Crossley, old timers in Strathmore district, were here on a visit last week. Since leaving here they have been located thirty-five miles south of Drumheller, but state that crops have been had there for a number of years. They may relocate here.

Mr. E. B. Bertlein, informs us that he is turning the management of his farm over to his boys, and is going to take things easy, but like a good citizen he will reside in the country he has made his home. Mr. Bertlein came here in the early days of settlement of this part of the country, and has made notable success of his farming operations.

Mr. and Mrs. Harold Morse are rejoicing in the birth of a daughter on April 2nd.

Mrs. A. P. Gray, who has been ill for some time, is making a good recovery. Mrs. F. R. Lilly is also able to be out after a prolonged illness.

A farewell party for Harold Jones was held at the home of Mr. and Mrs. Percy Wright on Saturday evening.

Dalemead

We are sorry that owing to the bad roads, the Langdon players were unable to come over last Friday evening to stage their play, "The Little Clo-hopper." Regardless the Dalemead people spent a very enjoyable evening dancing and playing whist.

More people are coming into Dalemead all the time. The latest arrivals are Mr. and Mrs. O. Grandy, of Calgary. We welcome them to the district.

T. Stewart is visiting her son, G. Stewart, at Vulcan, these days. The Junior U.F.A. held their regular monthly meeting last Saturday afternoon with an attendance of 25 Juniors and 12 seniors. The program which probably surpassed all others, consisted of a mock trial, and was thoroughly enjoyed by everyone. The Juniors elected Gladys Conner, as delegate to the convention.

ON THE FARM

At this season of the year, preparatory to the busy Spring season, farmers should take an inventory of their stock for seeding time. We will instance a few items that will command ready sale if advertised in this paper. Seed Oats, Wheat, Barley, Rye and Potatoes. Several farmers have on hand registered seed. Advertise the fact in The Standard.

Work Horses, Saddle Horses, Milch Cows, Hogs, Sheep, & 50c advertisement will bring buyer and seller together.

Have you any Animals Estray? If so, you may save days of search by placing a small advt. in The Standard.

We will print you Envelopes, Letterheads containing name of farm and address, at a very low rate.

ROBERT INGLIS, Proprietor

Yule

We are all glad to see Spring so near, although it is very disagreeable for those of us who cannot have to use boots to get from our houses to town. It is reported that George Yule piece is surrounded by water. Many of the Yule school children, who live along the creek, are unable to attend school on account of the high water. The Yule people who attended the sale on March 21st, near Hasser, reported stock having sold well.

Miss Viola Myrha, who has spent the winter with her sister, Mrs. W. MacDowell, last week went to Mrs. W. Thomson's where she intends working during the coming Spring season.

Our neighbor, Mr. J. Chattrand, was in the Quebec earthquake, which took place last before his return, so he is able to describe the occurrence at first hand.

Miss Marie Collins is to be congratulated upon winning the first prize in the essay competition put on by the Standard.

Mr. N. C. Andersen has the contract to paint the new coal shed, which has been recently built at the Yule school. Mr. J. Chattrand's place is a great attraction for young athletes. Many of the young men of this district spent their evenings there, practising with boxing gloves, or on the trapeze.

We regret to report that Mr. Tremblay, who has a serious case of pneumonia, was taken out last week to the hospital in Calgary.

The subject of having a travelling nurse for the municipality was brought before the ratepayers at the Yule school meeting last week. Most were in favor, but left it to the board of trustees to decide. It is believed that the board will be in favour of this district joining the others of the municipality as it was unanimously agreed that monthly visits by a qualified nurse would be a decided benefit.

YULE SCHOOL
FEBRUARY STANDING
Grade VIII
Paul Green, 41.

Grade VI
Margaret Schoenover 81 1-6, Earle Schoenover 81, Carol Collins 79, Vincent Chattrand 70.

Lester Schoenover 94, Arlie Stebbins 90, David Yule 61, Jean Yule, absent, Ilay Erford 56, Wilfred Schoenover 52.

Primer
Cecil Andersen 50, Della Green 60, Mary Erford 50.

Great flocks of geese and ducks have been seen coming north, which is a certainty that Spring is close at hand. Vern Green went last week to Elder's farm, where he intends working during the coming Spring and Summer.

Messrs Geo. Green and Cecil Devett made a short visit to Calgary last week.

On account of the high water around Wells farm, Mr. H. Wells has postponed his sale of April 1st to April 14th.

Mr. J. Chattrand is at present busy building a house on his eldest son's farm. Morell intends moving in early this Spring, as he has a great aversion to boating. It is believed by all his friends that he won't practice it long.

Messrs Geo. Collins, and J. Rasmussen were unfortunate enough to have their car of oats come in just when the roads are at their worst. They had much trouble in hauling them home as there was too much snow for wagons, and not enough for good sleighing.

"Why We Should Buy At Home"

By Jas. Fredericks, Strathmore, 5th in Essay Competition

If you buy at home you keep the money at home but if you don't the money is taken away from home and consequently makes some other community richer. If the money is all kept at home the people of that place will have more money.

I think if everyone bought at home it would be much better, because—
Firstly, if we don't buy the merchant in your own town you help their trade.

Secondly, if the merchants have good trade they will be able to sell at lower prices than if their trade was poor.

Thirdly, it also keeps the money in the district and this of course, helps everyone in the district.

If we don't buy at home the community becomes poorer. The merchant and other business men do not thrive and consequently have to raise the prices to make living possible.

Sometimes roads are blocked and we are forced to buy at home. In these cases merchants can take advantage of us because it gives them a chance to make money and if prices are raised we cannot blame them, although this does not often happen. I think if it did and the merchants took full advantage of us it would teach us to take them into consideration before buying from some other city.

If we buy at home, merchants will become much more obliging. I think it is a good plan to decide on some special store to trade. If you trade there constantly you will get much better service than if you buy one thing at one store and one at another. If you trade at one store all the time, the merchant will want to keep your trade, because it is more valuable than the trade of people who buy all over, and consequently the merchant will do his best to keep your trade. If you only buy one article or so there, and only buy the rest at another store, the merchant will not do his best, and so often you will get a poorer grade because they are not so anxious to please you. Thus it is wise to trade with one merchant only, and to buy at home.

If you buy at home you advertise your community. You may happen to have a friend visiting you, and have something around the house, maybe some special brand of tea. If your friend admires it, and finds out that you bought it at home, then that friend will want to take some of it back to where she or he came from. Then the friends of that friend will want to try it also, and so, gradually, the tea or coffee, or whatever article it was, will be sent for to your own home town, and this will increase your merchant's trade. The merchant will be glad of this, and your services will be rewarded. Maybe some friends of your own town, who buy from some other town or city, and you have something that they admire. Their curiosity will cause them to ask where you bought it. When they find out, they will buy it at some store at home to see what it's like. If you are pleased they will start and buy at home. Thus in many ways you can advertise, and in that way help your merchant.

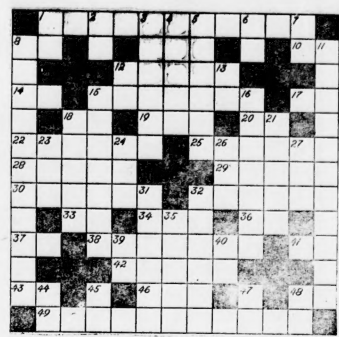

When one comes to think of it, it is really our duty to buy at home. The town we live in gives us many pleasures, and I think that it is only fair to try and help it to progress. It is really a small matter, in one way, to buy at home. People often say: "Oh, it costs twice as much here as it does in Calgary." But I often wonder if these people ever stop to think that the merchants in our own town have to buy at that price, ship and pay for shipping, and add to that a slight gain. So one cannot expect to get things for the same price. It helps the community if one buys at home, because if you do, other people will follow your example. People who think they are gaining are really not gaining in the long run because they do not buy at home. When the people come to see this the communities and towns will be much better. The town that works together usually wins.

The Henshaw Bros. of Duchess, sale, held at the Standard Livestock show on April 2nd, was quite a success. There were forty-one horses; most of which sold at a very good price. The brothers spent the spare time with their old friends, the Collins.

Poor Yesterday

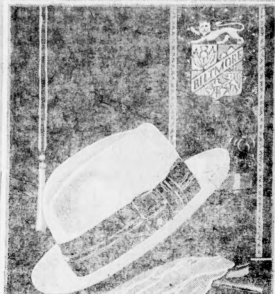

YESTERDAY'S alarm clock was a dash of cold water thrown in the face. Yesterday never looked through a window glass or drove a sedan car. Yesterday could have stood all day, pushing buttons, turning on faucets, shoveling coal—and have never got a bit of hot water, electric light, or radiator heat. Yesterday mined for its salt, tilled for its bread, sheared and spun for its clothes. Yesterday lived to itself and died of diseases unknown.

Then was born To-day.

To-day gives you convenience, ease, speed. Advertised products have brought them. If you read the advertisements, you can gain more convenience, ease, speed. They tell of the new and better taking place of the old. They tell of the best means to secure them. They help you get what you want and know what you are getting. They assure you satisfaction.

Why make a Yesterday out of your life? Read the advertisements. Live To-day.

You can't keep entirely up-to-date without reading advertising

Baseballers Re-Organise

There was a good turnout to the meeting of Strathmore Baseball Club held in the Town Hall on Friday evening for the purpose of organizing for the coming season.

President A. W. Girvin presided, and gave a short talk on the past season's play. The financial statement was very good. They had a deficit from 1923 of \$220.26. This had all been cleared off, and they had finished the year with a balance of \$470, and all accounts paid. The receipts for the season were \$850.00.

New Officers
Officers for the coming year were elected as follows:

President—Dr. A. W. Girvin
Vice-president—Ben Fessenden
Secretary—M. S. Tallman
Treasurer—Leonard Hill
Executive Committee—P. K. Miller, H. R. Stacey, R. H. Anderson, Manager—R. H. Anderson.

On motion of Ben Fessenden, seconded by Rev. A. H. Howe, a vote of thanks was passed the 124 officers. The baseball season will open here on Empire Day, May 24, when it is proposed to play a double-header. A discussion took place regarding covering in the irrigation ditch near the diamond, as a lot of balls had been lost there, but this was left over for further consideration. It was felt that it would be in the interests of the club, if the Agricultural Society and Stumpede committee acquired ground this year, for the baseball club to use the same ground.

Most of last year's players are in the district, and several new ones have come in, so that there is every prospect of a good season for the team and supporters in 1925.

Rosebud News

Miss O. Sullivan is returning to her home in Saskatchewan, after spending the winter in the Kelly home.

Miss Irving, one of the teachers, was called to Calgary last week on account of the serious illness of her mother, but she is reported improving rapidly, and Miss Irving has resumed her school duties again.

Lon Maier and Wilber Payne were visitors in the Heydon district last week.

Org Burggren's are giving up city life and returning to their ranch after a winter spent in Rosebud. The Crockett Star manager must have faith in Spring coming, for we saw a new fanning mill unloading at the station for that ranch.

Mrs. A. Gow gave another one of her recitals on Tuesday afternoon, March 25th, held in the H. Summer home. As before, each pupil did credit to themselves and their teacher, and Mrs. Gow also gave a couple of numbers that were enjoyed by all present.

After the programme Mrs. Summers served a dainty lunch to about thirty guests. All departed at a late hour feeling that they had spent a very enjoyable afternoon. We understand there are more of these to follow.

Mr. Ballon, of our bank, has been called to other quarters. Merl and Opal Jones are home for the Easter holidays.

We understand that A. Gross has rented his farm this season, and will engage in other business in D.C. Mrs. Chas. Gross was removed to the Drumheller Hospital last week, after several days illness in town.

Mrs. J. Engles returned from the Drumheller Hospital last week, after a five weeks illness. Mrs. A. Vilar returned from Drumheller much improved after her recent illness.

REJECTS ROYAL TITLE AND HOME TO STAR ON SCREEN

Here's a tiny miss to whom a royal title and a home in the royal palace with boundless attention and treasures, mean nothing. She is little Diana Kahn, attending the most beautiful child on the screen, who rejected the offers of a Hindoo prince to adopt her and confer on her the title of princess. He was won by her beauty, but she preferred her film career to wearing a title.

Little Diana is the daughter of Dr. and Mrs. Kahn, of Media, Pa., a suburb of Philadelphia. At present, she is being starred in a film series called "The Adventures of Diana."

Strilin' Charlie Says—

"If you don't believe that all the world loves a lover, just try to make a date with one o' our modern flappers" — — —

Carseland

Many enquiries as to what was the matter with Carseland notes requires us to make the confession that we were in Calgary most of the week and didn't know what was going on around.

Quite a number of people around town and across the river are reported plowing last week.

This week will see many teams on the land in this vicinity.

The school entertainment turned out to be a failure, thanks to the breakdown of the picture machine. However, much credit is due the teachers and school children for their efforts were the same as they would have been had there been no hitch and they did not have the pleasure of seeing a successful conclusion of the event.

Walter Wilke escaped with minor injuries, an accident which might have been very easily proven fatal, when the Dyehouse of Jim Nelson's found a broken and pieces flew in every direction.

Owing to the condition of the roads the attendance at the joint U.F.A. and U.F.W.A. meeting at the home of Mr. and Mrs. A. Anderson was not as large as it might have been. However, those who were there reported a very enjoyable evening. Mr. Cleghack gave an interesting talk, and one of the significant things he said was that he was very much surprised to see a community as well and favorably known, and as prosperous looking as ours, and still be without a community hall. Charlie Hornstrom, of Dalmated, district director of the Junior U.F.A., was also in attendance, and in a very pleasant way urged the Carseland locals to send a delegate to the Young People's Conference at Edmonton in June.

The cartload of cinders that was used on the school ground was a big improvement. Those who find occasion to drive cars or other vehicles to the school should be willing to co-operate with the board in keeping the grounds in condition by keeping off the cinders, as the wheels mark up the ground, and many cinders are carried away by car tires.

Much guessing and wondering is occasioned by the talk about the "Mysterious Tea" the C.G.I.T. girls are giving on April 20th.

Mr. and Mrs. W. G. Wilkes have moved into the James property, formerly known as the Cook ranch. We welcome the Wilkes to the community.

The New England supper, given by the ladies last Friday, was very successful on all accounts, considering the condition of the roads. The supper was followed by an entertainment enjoyed by all. Some original stunts were put on that showed surprising capacity for entertainment. Many good things to eat were sold to the highest bidders, and a number of pieces of fancy work and wearing apparel were also sold at auction. Mr. Robertson kindly consented to act as auctioneer. The receipts reached the magnificent sum of ninety dollars.

The Carseland school will participate in the school fair at Strathmore, held in September, and this is the time for the boys and girls to start getting ready to take some of the prizes. Start feeding your pigs or calves, and pick out a good place in your garden. Seeds will be furnished by the department.

The schools around here are planning to hold a field day of sports at Carseland some time the last of April.

German Marks

Circulars are still being received by local people offering German bonds at a rate of 10 for 100,000 marks. For the benefit of those who may be tempted to invest their savings in German rather than Alberta, we quote the following from "The Financial Post":

"The German paper mark will go the way of the old Imperial German Empire on June 5, when nothing will be left of it but a memory. At one time rated with the American dollar and the pound sterling, it now has a nominal value of four trillion marks for one dollar, and after June 5 even that will be taken from it.

In the meantime trillions of the marks are being hoarded by German Englishmen, Americans, Canadians and others who cling to an illusion that paper marks bought several years ago at bargain prices will eventually be restored to their face value. To accomplish this the German government would need all the negotiable wealth of the world, and more for it is simply the German government was able to print more "money" than mankind has mined gold in all history."

It is estimated that the loss to American investors on German marks has been practically one quarter of a billion dollars. The dictionary definition of a trillion is "a million of millions."

Grain Prices and the Pool

It is stated that the drop in prices of wheat has brought a large number of new contracts to the Wheat Pool. The Pool states that new contracts can be accepted with safety, as the small amount of wheat still in the hands of individual farmers, if placed in the Pool, will not materially affect this year's final payment.

The larger proportion of the wheat growers there are in the Wheat Pool, the better chance there is of the grower receiving a fair price for his crop. The wild orgy of speculation which took place within the past three months is not to the benefit of the farmer. The higher the price the less wheat is sold, for the purchasing power of the consumer is limited by his ability to pay.

Under the speculative system the consumer is penalized, but the farmer does not get the benefit. The U.S. government is now endeavoring to find out who got the money in the recent scramble.

It may safely be said that it was not the small speculator. There are a number around here, and even some members of the Wheat Pool have been taking a whirl at the market out of

the proceeds of the Pool payments, sometimes with money they were owing to their grocer.

The Wheat Pool is the only practical system that has yet been devised to eliminate the speculator, who takes toll both of consumer and producer. Under the old system the speculator was necessary, but not now. Every farmer in Alberta should join the Pool.

The only risk to the Wheat Pool on that the members will not take enough interest. This is the downfall of most co-operative concerns.

The Wheat Pool elections are to be held shortly, and every member will be supplied with information as to the meetings and voting. Don't fail to attend and cast your vote.

A reminder that the war suffering is not yet over is given by the statement that a returned veteran, who has been farming successfully near Cayley for a number of years, committed suicide last week, the cause given being melancholia as a result of a piece of shrapnel lodged in his head, which the doctors could not remove. The man who scoffs at the League of Nations, or any other scheme evolved with the idea of avoiding future wars, and the man who advocates war perpetration except for defence should be treated the same as a traitor is in war time.

It is said the unemployed who have been asking for relief all winter in Calgary will not accept farm jobs at the wages offered. But unemployment is not a problem that can be solved by denunciations of the unemployed.

Rev. W. G. Brown, of Red Deer, says that in Canada, up till last week, 95,259 Protestants had voted for the Union, and 196,792 against. It seems to us that advocates of Union would have been better to have advocated co-operation instead of organic union. The figures prove that the time was not ripe for organic union.

The Charge of the Bobbed Brigade

Bobbed hair to right of us
 Bobbed hair to left of us
 Bobbed hair behind us
 Tresses abandoned.
 Some with a heavy crop,
 Some with a lighter mop,
 Into the barber shop
 Walked the Bobbed Hundred.

Women of high degree,
 Women past fifty-three,
 Determined that they shall be
 One of the numbered.
 Women of every class,
 Mother and little lass,
 Flung all join the mass
 Of the Bobbed Hundred.

Some with banks, some without,
 Some shingled roundabout,
 Some in curls some in doubt,
 Fear they have blundered.

Some of them look real swell
 Some of them look like—well
 Just as well not to tell

On the Bobbed Hundred.

Slats' Diary

Friday—It has not a good look on a old friend which was born & raised a bachelor up until just a couple years ago. He all ways had a woman, a good one, but he never married until he was 40. He was a wiry one with new that her place was at home and not all ways a wiry one on voting and clubs & ect. Well he found one of them kind & they got married to 1 another. But she also thinks that his place is at home also and she makes him stay there to.

Saturday—one of the folks which writes down to work today with a black eye, they ast him how did he come to get it and he said it was caused by a cigar and he ast him how was it caused by a cigar and he said he left a cigar in his mouth when he kissed his wife good by.

Sunday—Ant Emmy and As spent most of the evening arguing about a man named Worthington. Pa said he was the fellow which composed the dictionary and Ant Emmy held out he was the fellow which invented the 5 up 10 cent stores. I dont no with was rite. Personally.

Monday—Maw was so sore tonight she couldnt hardly treat us wife. She went up to the city today and was way up on the eight floor trying to get a elevator down as the elevator past her she yells, Going down. On the elevator went sed, So am I. And he top on going.

Tuesday—A man owed me 6 papers and when I oney give him back 12 cents out of a quarter why he kicked and said I should ought to give him 15 cents. I new it but I all ways head he was superstitious.

Wednesday—I of the fellows at the newspaper shop had to go to a funeral today of a uncle of his. Pa ast him what was the matter and he sed he didnt no but he thoct it was a serious illness perhaps.

Thursday—Ma pulled a awful bone today. The preacher is a moving away and ma told him she was swellly sorry and he sed, Well you will soon get a better one than I am. And ma replied and sed, O I hope so.

Here and There

A total of 1,003,672 barrels of apples have been shipped to the English market from Halifax since the beginning of the shipping season up to February 24. London took 354,715 barrels and Liverpool and Manchester came second and third with 297,828 and 172,685 barrels respectively.

Eighty-four thousand automobiles are now being operated by citizens of the Province of Quebec equivalent to an average upkeep of \$800 per year each, a total expenditure for maintenance alone of \$25,000,000 every year, according to figures supplied by the Montreal Automobile Trade Association.

Around 16,000 horses were shipped from western Canada to eastern Canada in 1924, most of them coming from Saskatchewan. This province is maintaining its lead as the greatest horse-breeding centre of the Dominion, with a total of 707,448 head, an increase of \$3.44 per head over 1923.

The steamship "Princess Marguerite" successfully passed her trials on Clydebank when she developed an average speed of 22.56 knots and a best run of 23.2 knots per hour. Together with the "Princess Kathleen" she will be used on the Seattle-Vancouver-Victoria route this coming season.

Monignor Heylen, Bishop of Namur, Belgium, and permanent president of the Eucharistic Congress, arrived at St. John, N.B., last week on the "Montrose."

His Lordship was on his way to Chicago where he will make preparations for the Congress, to be held there in June, 1926.

Ivan Shvegel, Canadian Pacific Railway representative in Yugoslavia, interviewed here recently, stated that his countrymen are 58 per cent. agriculturists and that he felt "certain that in the mutual interests of both countries the future will, in the field of immigration, lead to closer and closer relations between Canada and the Kingdom of the Serbs, Croats and Slovenes."

A romance of the peerage and the sturgeon was personified by F. E. Blaisy, grandson of the late Lord Blaisy, which arrived at St. John, N.B., last week among the third-class passengers on the "Montrose."

Blaisy, who is just 17 years of age, was so struck with Canada that he ran away from Bray Court College at Maidenhead and after a number of adventures realized his ambition by sailing on the "Montrose."
